

Spirit Guided Friends Church
Role Guidelines : Healer

- The Healer must be mindful of a person's physical boundaries for personal and legal purposes
 - o Always request permission before touching a person
 - o When touching the hands and fingers may not move
 - o In no case, is the healer to touch a person's "private" places. (breasts and groin for instance.)

- When the healer is finished with one person, they should whisper something like "GOD Bless You" to end the session.
